

NIT Trichy Course Admissions 2022:

Application, Eligibility, Dates

NATA 2022 result for the Phase-3 out **today, i.e. on Aug 17, 2022.**

Centralised Counselling for MTech/ MArch/ MPlan (CCMT) has released the National Spot Round (Final Mop-Up Round) on Aug 11. All the candidates who have been allotted seats for the first time in National Spot Round (NSR) must upload documents by Aug 14. The physical reporting for the same is to be held between Aug 11 and Aug 18.

GATE 2023 applications will start on Aug 31 and will go on till Sep 30. The exam will take place between Feb 4 and Feb 12.

National Institute of Technology Trichy or NIT Trichy admission 2022 is primarily entrance-based. NITT offers undergraduate, postgraduate and doctoral-level programmes for students such as BTech, BArch, MTech, March, MSc, MCA, MBA, MA, MS (by Research) and PhD. The admissions are based on national-level entrance tests for the selection process, like JEE Main, JEE Advanced, GATE, etc. Final seat allocation is done through counselling sessions such as CCMT, CCMN and Joint Seat Allocation Authority (JoSAA) counselling. NIT Trichy ranks 8 and 21 under the 'Engineering' and 'Overall' categories by the NIRF 2022 Rankings, released on July 15.
