Master of Business Administration or MBA is one of the most sought-after post-graduate programmes in India and abroad. This two-year programme is a gateway to numerous job opportunities in the corporate world. Students from different backgrounds such as Science, Commerce and Humanities opt for MBA. A regular MBA is a two-year course which is spread across four semesters. There are a few private MBA institutes that offer one-year PGDM programmes as well.

The MBA colleges in India provide admissions to students based on the scores obtained by them in various national or state-level examinations such as CAT, XAT, MAT, CMAT, ATMA, SNAP, MAH CET, KMAT, and many more. There are many MBA colleges in major cities across the country such as Delhi-NCR, Mumbai, Bangalore, Pune, Kolkata, Hyderabad, etc.

## MBA Colleges in India Eligibility Criteria

The eligibility criteria for MBA courses may differ from one college to another. However, the basic MBA eligibility criteria is as follows:

- Candidates must have passed graduation in any discipline or equivalent from a recognised university as a basic eligibility criteria for MBA (full-time).
- Most of the institutes follow the minimum score criteria in graduation which is 50% aggregate or equivalent CGPA. For reserved category students, the minimum score is 45% aggregate or equivalent CGPA.
- Final-year graduation candidates are also eligible to apply for MBA, provided they present the proof of completion of graduation degree within the duration specified by the institute.
